

COLLARS / LAPELS

Collars are a specially cut fabric placed at the upper part of neck of some outfits such as jackets suits blazers.the collars can be made to stand or folder when worn.the length and width of the collar is usually determined by the selected style, and the specified measurement given

Lapels are immediately below the collar.the way it's shaped determines the name it's called

LAPEL STYLES

There are some collars that are placed round the entire circumference of the neck eg shirt collars, Peter pan, sailors collar , Bishops collar,Robin Hood collar etc
